

COVID Vaccine Distribution Status by State and County
as of January 18, 2021

Below is a summary of the government vaccine distribution plans that affect Mercury’s sites. See the highlighted language for phases that may allow Mercury employees to get vaccinated based on their employment status.

If you would like more detailed information or the latest information about COVID-19 distribution plans, please visit your state or county health website or consult your healthcare provider. See the footnotes for links to those websites.

Location	Vaccine Distribution Plan	Current Status
Indiana	<p>Phase 1A</p> <ul style="list-style-type: none"> • Patient-facing Healthcare Personnel • Long-term Care Facility Residents • If you are currently working in a congregate living facility for youth (group home, residential care facility, child caring institution, private secure facility, juvenile detention facility, etc.) and have direct • close contact with or provide in-person care to residents • Public-facing first responders <p>Phase 1B</p> <ul style="list-style-type: none"> • Age 80 and older • Age 70-79¹ 	Phase 1B
West Lafayette (Tippecanoe County)	Follows state plan. See above. ²	Follows state plan. See above.
