

COVID Vaccine Distribution Status by State and County
as of January 18, 2021

Below is a summary of the government vaccine distribution plans that affect Mercury’s sites. See the highlighted language for phases that may allow Mercury employees to get vaccinated based on their employment status.

If you would like more detailed information or the latest information about COVID-19 distribution plans, please visit your state or county health website or consult your healthcare provider. See the footnotes for links to those websites.

Location	Vaccine Distribution Plan	Current Status
Alabama	<p>Phase 1A</p> <ul style="list-style-type: none"> • Frontline health workers, including clinical and non-clinical, in hospitals, nursing homes, or those providing in in-home or mental health care directly. • Workers in other healthcare settings providing services with a risk of exposure to fluids and aerosols <p>Phase 1B</p> <ul style="list-style-type: none"> • Essential workers at highest risk for work related exposure <u>Note:</u> This includes essential manufacturing workers but not office workers. • Persons in identified age groups at risk for COVID 19 associated morbidity and mortality <p>Phase 1C</p> <ul style="list-style-type: none"> • Persons in identified age groups at risk for COVID 19 associated morbidity and mortality not included in Phase 1b • Persons with high risk medical conditions • Essential workers not recommended for vaccination in Phase 1b <p>Phase 2</p> <ul style="list-style-type: none"> • All persons in age groups not previously recommended for vaccine, ages 16-64 • General Population not included in earlier phases.¹ 	<p>Prioritized Phase 1B, which includes:</p> <ul style="list-style-type: none"> • People 75 years or older • First responders, including law enforcement • Firefighters
Huntsville (Madison County)	Same as state plan. See above.	Same as state plan. See above.
